We are off to a great start!

Our jam-packed days are filled with learning. Most classes have completed the Beginning of the Year study. As your children conducted an in-depth study of their school, one investigation had them explore who works at their school other than their classroom teachers. Miss Marshall and I visited classrooms to discuss our jobs and how we help Cornerstone. Our visits tied in with the investigation exploring all the sounds they hear in the school. We answered lots of questions about our fire drill.

Tours for Next Year

Tours for the 22-23 school year will begin the first week of November. Our families are always our best marketing. If you have friends or neighbors looking for a preschool for next year, could you pass on our information and have them call us to set up a tour? Tour will be in-person this year, and the dates are on our website.

Join Me On Friday, Nov 4th
@ 9:15 AM**

Please join me for an in-person chat about The Creative Curriculum.

- How we implement The Creative Curriculum in our classrooms
- The difference between studies and themes
- The many ways young children gain and demonstrate knowledge.
- How we assess growth and development

I will also be sending a survey to gauge interest in additional topics.

Keeping Us Safe!

Thank you to all the families that have donated cleaning supplies to CS. We are grateful for remembering us when you shop!

Reporting Your Child Absent

Please call to let us know if your child will be absent or late for any reason.

Halloween At Cornerstone

This is a friendly reminder that we do **not** wear costumes to school for Halloween in keeping with our anti-bias policies. Please feel free to dress your child in seasonal colors, **black**, **orange**, **purple**, and **green**. Our class parents our planning some seasonal fun for your children.

Costumes are welcome at the CPO Boo Fest!
